Cleopatra bath

Even the Egyptian pharaoh Cleopatra is said to have preserved the beauty of her skin by bathing in donkey milk and honey.

The vitamins contained in the milk and its refatting and regenerating effect make the skin particularly soft and supple and ensure that it regains its natural acid mantle.

Sea salt bath

Sea salt baths have an anti-inflammatory effect on the skin.

Thanks to the powers of the Dead Sea, the body is purified and deacidified and the skin is supplied with important minerals. This treatment is also successfully used for cellulite.

Chocolate bath

Chocolate is known to make you happy and is also healthy, especially when you bathe in it.

Chocolate has two advantages, firstly its unique scent and secondly its beneficial effect on the skin. The cocoa butter it contains makes the skin supple and moisturises it. An experience for all the senses is guaranteed.

Oil bath

The addition of essential oils turns a bath into a true wellness experience, as they ensure a holistic sense of well-being.

They pamper the skin, help it retain moisture and thus make it firm and soft. Oil baths are particularly suitable for dry and sensitive skin. In addition, the fragrance essences are particularly well expressed through the oils.

Orange blossom bath

A bath in orange blossom is particularly suitable for sensitive skin.

Hay flower bath

After a hay bath you will feel revitalized.

Lavender Bath

Lavender baths have a calming and balancing effect.

Juniper Bath

Juniper baths will assist your body in removing retained fluid more quickly and has a positive effect on cellulite.

Piroche Cosmétiques Algae Bath

The skin is nourished with the nourishing substances and minerals of the seaweed. At the same time, the circulation is stimulated, and cell renewal is enabled. Particularly suitable for cellulite treatment.

Piroche Cosmétiques Bath for Athletes

Special essential oils help the body to eliminate the lactic acid accumulated during sporting activity. Essential oils: Cinnamon, Lavender, Niaouli, Lemon, Bitter Orange

Piroche Cosmétiques Regenerating Bath

A blend of eight essential oils that have a purifying and regenerating effect on the skin and tissues.

Piroche Cosmétiques Energy Bath

A real energy boost for body and mind. The body is immediately given a feeling of freshness and energy. Essential oils: mint, lemon, rosemary, lavender, thyme

Rosalpina & Alpine Herbs Vitalising Bath oil

Whose content in essential oils of rhododendron, stone pine, Swiss stone pine, sage and thyme gives a pleasant sensorial effect and a toning and revitalising effect to the skin. Use in the bath or in the shower.
